THE MINISTER OF WATER RESOURCES WITH ADDITIONAL CHARGE OF THE MINISTRY OF SURFACE TRANSPORT (SHRI MANUBHAI KOTADIA) (a) Yes, Sir

(b) The Services were stopped in May, 1988 as the vessels were placed at the disposal of the Naval authorities After their return, on an assurance from the Government of Goa to reimburse 100 per cent of the losses, the SCI resumed the Konkan Service, on ad-hoc basis, between Bombay/Goa|Bombay from 14-4-1990 to 22-5-1990 The two Konkan vessels, M V Konkan Sewak and M V Konkan Shakti operating on this sector were more than 25 years old and had outlived their economic life The Government of Goa were not keen for the resumption of the service after the monsoons with these vessels, in view of their deteriorated condition There was no response from the Government of Maharashtra to the proposal of sharing between the Governments of Goa and Maharashtra, the operational losses and expenditure on Annual Passenger Survey and repairs/dry-docking of the two vessels n these circumstances, and as the vessels were deteriorating, the Shipping Corporation of India was informed that they would not be asked to resume the Konkan Passenger Service, with these two ships viz, M V Konkan Sewak and M.V. Konkan Shakti.

S.C.I have since sold for scrapping the vessel M V, Konkan Sewak, M.V. Konkan Shakti has also been sold for scrapping, subject to approval of Director General of Shipping.
